hereby make of record in the above-identified application the documents listed on the attached

Form PTO-1449.

Applicants have listed publication dates on the attached PTO-1449 based on information

presently available to the undersigned. However, the listed publication dates should not be

construed as an admission that the information was actually published on the date indicated.

Where the publication date of a listed document does not provide a month of publication, the

and any foreign priority date so that the month of publication is not an issue.

Applicants reserve the right to establish the patentability of the claimed invention over any of the information provided herewith, and/or to prove that this information may not be prior art, and/or to prove that this information may not be enabling for the teachings purportedly offered.

This Supplemental Information Disclosure Statement is being filed more than three months after the U.S. filing date, and after the mailing date of the first Office Action on the merits, but before the mailing date of a Final Action or Notice of Allowance, whichever occurs first. 37 C.F.R. 1.97(c). Attached is our check in the amount of $180.00 in payment of the fee under 37 C.F.R. 1.17(p). Please charge any fee deficiencies, or credit any overpayment, to Deposit Account No. 50-0311 as needed to ensure consideration of the Supplemental Information Disclosure Statement. A duplicate copy of this paper is attached.

An electronic Information Disclosure Statement is being filed electronically on even date.

It is respectfully requested that the Examiner initial and return a copy of the enclosed PTO-1449.

Respectfully submitted,
